Important:

- Limit one rebate per member/application.
- The space heat or water heater must be installed within Arrowhead Cooperative's service territory.
- The space heat or water heater must be separately metered and controlled by Arrowheads load management system.
- Member shall enroll in the load management program for a term of no less than three years to be eligible for a interruptible heating rebate - early termination will require return of rebate funds.
- Include a copy of the original dated sales receipt.
- Rebate will be processed after form is complete and total installed kW and control is confirmed by Arrowhead Cooperative. Check with Arrowhead Cooperative to confirm availability of rebate funds.
- Fill out this form completely. Incomplete forms will not be processed.

Member Signature _____ Date _____
