Rebates are available for the purchase of new ENERGY STAR rated appliances. A new refrigerator or freezer purchase must include recycling of the older, working refrigerator or freezer. Rebate submittal must follow the guidelines as outlined by the cooperative. The cooperative is not responsible for inaccurate information supplied by appliance dealers. To verify ENERGY STAR certification for appliances and lighting, visit [www.energystar.gov](http://www.energystar.gov) or call 1-888-STAR-YES. AECI's rebate program is subject to change or cancellation without notice.

### Important:

- The applicant must be a Arrowhead Cooperative member.
- Check with cooperative to ensure rebate funds are still available.
- Air Source Heat Pumps may be eligible for load management program rates - check with the cooperative for more information.
- Air Source Heat Pumps must be capable of automatic interruption restart to be eligible for rebate.
- The appliance(s) must be installed within the cooperative's service territory.
- Incomplete forms will not be processed. Check with Arrowhead Cooperative to confirm availability if rebate funds.
- Submit completed rebate form and a copy of the original sales receipt and/or recycling receipt within 90 days of purchase, but no later than the 2020 program end date of December 15, 2020 to:

**Arrowhead Electric Cooperative, Inc., PO Box 39, 5401 West Highway 61, Lutsen MN 55612-0039**

By signing this application, I certify the appliance(s) for which I am claiming a rebate is a qualifying ENERGY STAR rated product and, as applicable, is installed per the HVAC Contractor Installation Checklist above, at the address noted in the Member Information section, and is a valid Arrowhead Cooperative residential member.
